

I'd like to express my heartfelt gratitude to the following persons who, through their generosity, have opened their hearts and contributed to the **Holmwood Technical High School Guidance Department Scholarship Fund**. The fund was established to help at least one needy fifth or sixth form student who will matriculate to a tertiary institution come September of this year.

The fund has now passed the **One Hundred Thousand dollar** mark. Donations are still being sought and will be highly appreciated.

Thanks to:

Mr. Nigel Davy
Mr. Glendon Blake
