

## **The Holmwood Past Students Association, North American Chapters**

**(New York, Atlanta, Florida, Maryland)**

**wish to offer our condolence and sympathy to the family and  
friends of the late Honorable Louise Bennett-Coverley.**

*Miss Lou, as she was affectionately called, was larger than life, in fact she transcended life itself, while bringing joy, happiness and laughter to all those who had the privilege and honor to either listen to her, see her perform or read her work. With her passing, a great void has been created which, not presumptuously, will not be filled.*

*Miss Lou will always be with us, as her body of work will live on forever throughout the ages, bringing successive generations unending joy, laughter, happiness and pleasure.*

***Miss Lou will be greatly missed by this  
Holmwood family.***
